For your Information

BBC RADIO CAMBRIDGESHIRE is your new local radio broadcasting from studios based at Broadcasting House, 104 Hills Road, Cambridge, CB2 1LD.

They can be heard in Northern Cambridgeshire on 1449 kHz/207m and Southern Cambridgeshire on 1026 kHz/292m 96.0 VHF stereo.

To enable them to be kept up to date with local news, views and information they will be pleased to be kept informed. News will be sent from the Parish Council and they will receive a copy of the magazine. So Monday morning retune your radio dial.

Come to Reach Fair and meet some of the faces behind the names that will no doubt become household names.

We were most grateful to Gina Madgett and Francis Allen, producers from Radio Cambridgeshire, and Radio 1's Noel Edmund's Show producer Trevor Dann for judging last weeks "Miss Reach Competition".

NOTICE

REACH SPORTS DAY

It is hoped to hold the annual sports day on 31st May.

The annual meeting of the Sports Club is to be held on Thursday 13th May at 7.30 p.m. in the Village Centre. Those who are interested and are able to help organise the sports day are invited to attend.

REACH FAIR 1982

Many of the usual attractions are planned for Monday - it is pleasing to see some new faces offering help and ideas for the fair. It is hoped that all that helped last year are able to do so this year. Those of you that are feeling strong, if you could possibly come along on Sunday morning to help erect the tent and again on Monday to hump a few bales for all the sideshows, it would be much appreciated.

One of the main attractions at the Fair this year is RADIO CAMBRIDGESHIRE'S first LIVE OUTSIDE BROADCAST. They are bringing their radio car to the Fair - broadcasting live the Fair proclamation and interviewing various people at the Fair.
