## Help Network

Our community has pulled together and we have a team of volunteers who are ready to help and make things easier for us all during this difficult time. If you need help, please do get in touch.

### Shopping

For those who are isolating because they are vulnerable or showing symptoms, we can order and deliver shopping from the Burwell Co-op twice a week. Orders need to be in by midnight Monday for Wednesday delivery and midnight Friday for Sunday delivery. For more information email/call **Alex de Giorgio-Miller** on [a.degiorgiomiller@gmail.com](mailto:a.degiorgiomiller@gmail.com) / **07771 348013**.

### Social calls

It can be lonely in isolation by yourself. If you are in need of someone to talk to, we have a group of volunteers who are happy to phone regularly for a chat. Call **Pam King** on **07484852889** for details.

### Prescriptions

If you need a prescription picking up, either one-off or repeat, then please email/call **Claire Acklam** on [C.h.a@reach-village.co.uk](mailto:C.h.a@reach-village.co.uk) / **07780 561701**
