

# Within Reach

Oct/Nov 2019

**Apple Day** was a big success – even though the weather wasn't kind. Big thanks go to David Thomas and Andrew Trump who with help from others, made the event so enjoyable.

And our **Car Boot** experiment worked out well. Thanks go to Debbie Quilter and Tasha Bridgeman who organised it all. It is planned that this will now become a regular event in the village.

Then and Now pictures – see facing page

Our **Macmillan Coffee Morning** was well attended and raised just over £450 for this excellent organisation. Pam King oversaw the event and thanks go to her and to all those who helped make it the success it undoubtedly was.
